Wireless Charging indicator      Battery indicator: 40%-70%

- Wireless Charging indicator: blinks when a Qi compatible phone is placed on the W
- Battery indicators: On when the battery power status

### Button functioning

- Push once to turn the device ON
- Push twice to turn the device OFF

## Woodie Wireless Power Bank

Thank you for purchasing the Woodie Wireless Power Bank.

The Wireless Power Bank is optimized to work with iPhone 8, iPhone 8 Plus and iPhone X, but it also charges any Woodie Wireless Cover and other devices with Qi wireless technology. Stable and secure, the Woodie Wireless Power Bank charges on contact and on the go.

Thanks to its embedded magnets, the Wireless Power Bank firmly aligns to your smartphone to let you enjoy wireless charging on-the-go. With its USB port, the Power Bank can charge all your devices also with cables.

Built in a solid matte black anodized aluminum case, the Wireless Power Bank blends to quality finishes including Rosewood and Teak woods.

Enjoy Wireless Charging in your pocket!

## Know your Wireless Power Bank

The Woodie Wireless Power Bank is compatible with Qi wireless charging standard for any kind of Qi ready smartphone.

### LED status indication

The W indicates the exact location of the wireless charging transmitting coil

Usb output to charge any device with cables

Micro-Usb input to re-charge the Wireless Power Bank

On - Off physical button

## Tech Specs

### Wireless Charging:

Wireless Output: 5 V, 1 A (5W)

Efficiency Up to 78%

Qi Standard: WPC 1.1 (WPC 1.0 compatible)

### USB Ports:

USB Output: 5V, 3.2A combined  
(Smart Dual Usb Ports)

## Tips and tricks

Turn your Power Bank in a Wireless desk charger! Keep the input cable plugged in while using the Power Bank on a desk. Your Power Bank will charge any smartphone without losing battery power. It will be ready to charge you on the go whenever you will take it with you.

To maximize the wireless efficiency we recommend to:

1. Keep the smartphone wireless receiver aligned with the Power Bank transmitter.
2. The wireless charging works up to 8mm distance, but the closest is the distance between the two devices the most efficient the charge will be.

## Install the Mag Patch

Apply the paper template on the back of your smartphone

Once the template is placed, stick the Magnetic Patch in the hole of the template

Enjoy the Magnetic Grip to align your smartphone to the Power Bank for the best wireless charging experience

## Terms and conditions

Read all instructions and warnings prior to using this product. All warnings on the appliance and in the operating instructions should be adhered to. Improper use of this product may result in product damage, excess heat, fire or explosion, for which damages you ("Purchaser") and not Woodie S.r.l. ("Manufacturer") are responsible. Do not use the device in a high temperature environment, including heat caused by intense sunlight. Do not place device in fire or other excessively hot environments. Do not use it in wet and dusty places. It may lead to heat, fire and electric shock. Be cautious of drops, bumps, abrasions or other impacts to this device. If there is any damage to the device such as dents, punctures, tears, deformities or corrosion, due to any cause, discontinue use, and contact Manufacturer or dispose of it in an appropriate manner. Do not expose this device to moisture or submerge it in liquid. Putting metal objects on the surface of the product is prohibited. Do not disassemble this device or attempt to re-purpose or modify it in any manner. The device should always be located in such a way that it maintains proper ventilation.

Power cables should be routed so they are not likely to be stepped on or crushed by items placed on them or against them. If this device is intended by Purchaser to be used by a minor, purchasing adult agrees to provide detailed instructions and warnings to any minor prior to use. Failure to do so is sole responsibility of Purchaser, who agrees to indemnify Manufacturer for any unintended use/misuse by a minor. Use a dry cloth to clean the charger and ensure the device is disconnected before cleaning.

All products have gone through a thorough quality assurance inspection. If you find that your device is excessively hot (above 50°C), is emitting odour, is deformed, abraded, cut or is experiencing or demonstrating an abnormal phenomenon, immediately stop all product use and contact Manufacturer. To comply with FCC RF exposure compliance requirements, the wireless charging base must be used with a separation distance of at least 10cm from all persons.

## Warranty

Woodie Milano is dedicated to creating outstanding products with unparalleled quality and craftsmanship. As a sign of our dedication to this belief your Woodie Hub has a 2-year warranty from the date of your purchase. If the device fails due to manufacturer defects, please contact us via email at support@woodie.it to launch a warranty claim. We will instruct you on how to return the product for repair or replacement.

Keep a copy of your purchase receipt as proof of purchase.

Failure to provide proof of purchase may void the warranty. Any modifications of this device could void the warranty.

## Legal

This product is meant for use only in conjunction with the appropriate device. Please consult your device packaging to determine whether this product is compatible with your particular device. Manufacturer is not responsible for any damages to any device incurred through the use of this product. Manufacturer shall not in any way be liable to you or to any third party for any damages you or any third party may suffer as a result of use, intended or unintended, or misuse of this product in conjunction with any device or accessory other than the appropriate device for which this product is designed. Manufacturer will not be responsible for any damages you or any third party may suffer as a result of misuse of this product as outlined above. Purchaser agrees to defend, indemnify, and hold Manufacturer harmless for any claims or damages arising from unintended use or misuse, including use with an unintended device.

Woodie is trademark of Woodie Srl. iPhone is a trademark of Apple Inc. The 'Qi' symbol is a trademark of the Wireless Power Consortium.

## Compliance

Woodie Srl is authorized to apply the CE Mark on the Woodie Hub, hereby declaring conformity to the essential requirements and other provisions:

2014/35/EU known as "Low Voltage Directive"  
2014/30/EU directive known as "Electromagnetic Compatibility"

FCC Rules and Regulations Part 15, Subpart B, Class B

2011/65/EC RoHS Directive

2012/19/EU "WEEE" Directive

2001/95/EC known as "the general product safety Directive"

Model no. WO1

Manufacturer name: Woodie Srl

**Caution:** To comply with the limits of the Class B digital device, pursuant to Part 15 of the FCC Rules, this device must be used with certified peripherals and shielded cables. All peripherals must be shielded and grounded. Operation with non-certified peripherals or non-shielded cables may result in interference to radio/reception.

**Environmental protection:** All of our products are marked with the WEEE symbol; this indicates that this product must NOT be disposed of with other waste. Please recycle where facilities exist. Check with your Local Authority, Woodie Srl or retailer/distributor for recycling advice.
